COMPANY OVERVIEW

Pettit Enterprise LLC is a U.S. Army veteran-owned government contracting company providing uniforms, apparel, personal protective equipment, footwear, accessories, and related supplies to federal, state, and local agencies. We coordinate compliant sourcing, competitive pricing, customization, quality control, and delivery through a responsive network of manufacturers, distributors, and specialty partners.

CORE COMPETENCIES

- Law enforcement, fire, security, military, and workforce uniforms
- Correctional and inmate-issued apparel: jumpsuits, thermals, sweats, socks, shower shoes, and institutional basics
- Athletic uniforms, team apparel, spirit wear, polos, outerwear, and decorated garments
- PPE and safety products: high-visibility apparel, gloves, protective footwear, and related equipment
- Embroidery, screen printing, patches, heat transfer, sizing, packaging, and kitting
- Solicitation review, supplier sourcing, pricing support, compliance documentation, quality assurance, and delivery coordination

DIFFERENTIATORS

- Veteran-led logistics discipline, accountability, and mission-first customer service
- One accountable partner from requirements review and quotation through fulfillment
- Flexible sourcing for brand-name, approved-equal, Berry-compliant, and agency-specific requirements
- Scalable support for direct quotes, line-item awards, recurring contracts, and multi-location delivery
- Federal, state, and local contracting focus with particular strength in apparel and institutional supply categories
